

Checklist of things to bring:

Whatever you bring, take it in soft stowable bags as we do not have lots of space for totes!

Diving gear:

We have some rental gear available but you will need to contact us before you come to ensure we have the proper sizes and the right amount. When you come with your own gear you can bring:

- Logbook, medical and certification cards
- BCD
- Regulators, SPG, Depth gauges/computer
- Wet / Drysuit with gloves, hood, booties, dry suit underwear and hose
- Mask / fins and snorkel
- Dive light
- Spare parts
- Underwater camera/ video system
- Nitrox analyser
- adapters if you need them (DIN, Yoke etc.)

Optional as we normally provide these:

- 2 cylinders
- weights and weightsystem

Clothing:

Always bring some warm clothing as the weather changes even in summer. Here some items on top of your normal travel gear...

- Warm jacket/ rain coat
- Towel
- Swim suit (for the hot tub) and slippers
- Sunglasses, sun screen (not an oil based one) and a hat

Other:

- Liquor if you want this
- Your favorite soft drink if you don't like cola /pepsi or ginger ale (we sell these)
- Batteries-Battery chargers

From overseas?

- 220 Volt-110Volt adapters/ plugs
- Land camera
