

Directions how to get to the Rendezvous Pick up spot.

Coming from Nanaimo take the Highway nr. 4 towards Port Alberni. Just before you get to Port Alberni you will see a candy store on the highway called "Coombs Country Candies". Just passed that there is a split in the highway allowing you to go left or continue towards Ucluelet/Tofino. At this split you will find the tourist information office.

Turn **LEFT**, also indicated by "Hospital" and follow this winding road through a forested area. After passing the hospital on your left, the road turns into town and is called Redford. The first big intersection is with 10th Avenue and you will see gas stations and shops. A good opportunity to buy any alcohol or other food you wish to bring with you.

If you continue down Redford you will come to 3rd Avenue where there is a T intersection. Turn left on 3rd Avenue and take the right hand lane. At the Smitty's restaurant there is a split and you must take the right hand lane that becomes Kingsway. (3rd Ave continues upwards). You will see a tire repair place and the Kingsway Pub on your left. At that point you can turn right (little wall of railroad ties) and over the railroad tracks you turn left. About 50 meters passed the turn off (you passed the fish plant Port Fish), you will see an entrance to a small parking lot on the right. This is where the harbour master's office is. You can unload your stuff onto the boat here and after doing so you can park on the other side of the railroad tracks.

Should you be lost call 1 877 777 9994!
